Turner recipient donations of goods and services were donated for press tours and were utilized by non department employees in furtherance of their work for the Department, thus reducing the cost to the state.

Note also that any items or services of value received by any of the three department appointees (Secretary, Deputy and Communications Director) are, consistent with prior practice, set forth in their EIS submissions of this same date and to satisfy Wis. Stats. sections 19.42 (1) and 19.575. Although the EIS statements do not require inclusion of items having a value less than \$50, they are included in the appointees' EIS for completeness.
